

WE CARE FOR YOUR COMFORT & SAFETY

Welcome...

Our mission is to remain the leaders in the control, comfort and safety systems sector by providing high-quality products, superior client services, and maintaining consistency in our systems and relationships.

Our strategy is to continue to be the most reliable procure organization in the Building Automation and Control industries of the Cyprus market and other areas, as a total solutions provider, offering system integration services through our subsidiary companies.

About Us

Comfort Reliance Eng. Ltd. was established in 1982 and specialized in air-conditioning and refrigeration applications. Due to high quality of work and customer service satisfaction, the company soon expanded in more specialized fields on Building Automation Systems, Fire Alarm, Security, CCTV and Access Control Systems as well as Home Automation.

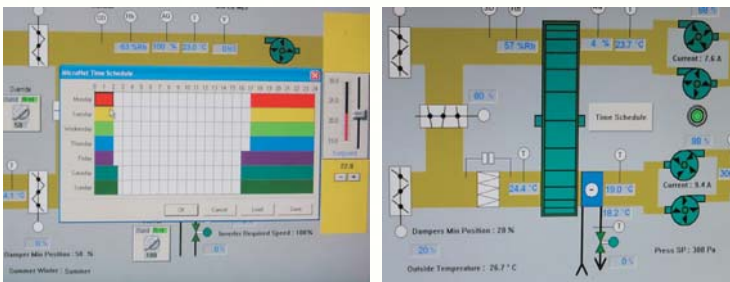

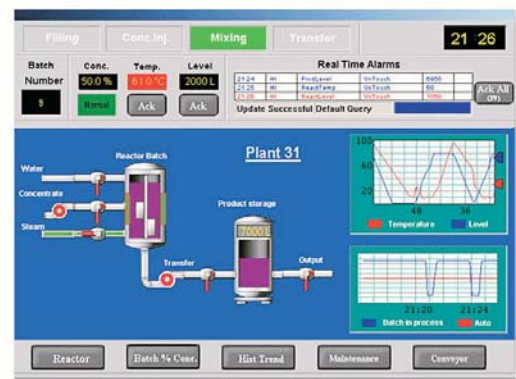

Further businesses were made in the Middle East, U.K., Greece and other European countries. Further expansions were occurred and new organization rise to prominence named Reliance Group of companies.

With this structure the Reliance Group is well placed as total solutions provider in the Middle East and all Europe market-places, aiming to offer total system integration services and engineering solutions to its customers.

Our values and customer satisfaction goals for Total Quality Management promoted the need of ISO 9000 certification. Therefore we had no other incentive to proceed and formalize our quality control processes under the framework of the ISO standard. Since September 2002 our company holds and maintain **ISO 9001:2000**

Customers

The Reliance Group customer base covers a broad spectrum of clients in the private as well as the public sector: We have provided solutions like Building Management Systems and Energy Saving Systems to the biggest players in almost all major sector of the Cyprus economy, with more than 500 jobs as well as overseas in :Banking and Finance, Hotel and Tourism, HealthCare, Training and Athletic Centers, Offices & Buildings.
